# ISSUES REGARDING ITC IN GST LAW

## 1. DEADLINE TO CLAIM INPUT TAX CREDIT:

In respect to any invoice, deadline to claim input tax credit should be linked with the relevant tax period rather than actual filing of the return. The provision relating to actual filing of the return makes the whole system dependent upon the whims and acts of a particular person.

## 2. MATCHING CONCEPT:

Another shortcoming of linking the deadline of claim of Input Tax Credit pertaining to a financial year with the filing of return would be that if a particular return is substantially delayed by the person receiving the inward supply due to any reason then entire supply chain would have to suffer and would be dependent upon the whims and actions of such person.

# ISSUES REGARDING ITC IN GST LAW

## 3. NON AVAILABILITY OF ITC ON TELECOM TOWERS:

In “M/S. Bharti Airtel Ltd. vs The Commissioner Of Central ... on 26 August, 2014”, Bombay High Court upheld the decision of Tribunal that these towers are immovable in nature and also are not covered under the definition of capital goods.

➤ But Bharti Airtel Ltd., being aggrieved by the order of the Bombay High Court, filed an appeal before the Supreme Court which has been admitted by order dated 21 September 2015.

➤ Since the appeal is admitted by Supreme Court, it again became a matter of litigation. This will settle once the Apex Court delivers the ruling.

# ISSUES REGARDING ITC IN GST LAW

## 4. AVIATION FUEL:

Jet Fuel is outside the scope of Structured GST Regime, therefore credit of Tax paid on ATF is not allowed which further increases the input cost, thereby increase in Ticket Prices.

## 5. MOTOR VEHICLES (FOR BUILDERS):

The credit is blocked as per 17(5) because these vehicles are not used for following purposes:

- (i) FOR making the following taxable supplies :—
  - (a) further supply of such vehicles or conveyances ; or
  - (b) transportation of passengers; or
  - (c) imparting training on driving, flying, navigating such vehicles or conveyances
  
- (ii) FOR transportation of goods **for either self or for some other recipient.**
