AS AN AUDITOR

Judicial Pronouncement

- M/S. Eden Exports Company & other vs Union Of India on 20 August, 2010
- Constitutional validity of Sec 15-19 challenged in Madras High court – Dismissed
- HC: The fixing of time limit is to save the Micro and Small Enterprises from going out of existence due to wanton delay in payments by the buyers. To that extent, right to enter into contract can be curtailed. Such curtailment cannot be said to be either arbitrary or unconstitutional.

Judge observes..

- One of the petitioner was Tamil Nadu Medicinal Plant Farms and Herbal Medicine Corporation Limited, which is wholly owned by State of Tamil Nadu, has chosen to challenge not only the proceedings initiated by the Facilitation Council, but also the Constitutional validity of Sections 15 to 19 of the MSMED Act.
- It is rather unfortunate that the State of TN has not filed any counter affidavit to express its stand and allowed Advocate General to represent the corporation.

Clause 17A of 3CD

- Auditor should seek info regarding status of the Entp i.e. whether the same is covered under the MSMED Act, 2006.
- Where the info is available and has been disclosed the same should be reported as such in Form No. 3CD. Where the info is not available the auditor should also mention the same in the 3CD.
- Since Schedule VI and Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006 requires disclosure of information, the tax auditor should cross check the disclosure made in the financial statements.
- Obtain a full list of suppliers of the assessee which fall within the purview of the definition of "Supplier" under section 2(n) of the MSMED Act, 2006. It is the responsibility of the auditee to classify and identify those suppliers who are covered by this Act.
- Review the list so obtained.

Clause 17A of 3CD Conti.....

- Verify from the books of account whether any interest payable or paid to the buyer in terms of section 16 of the MSMED Act has been debited or provided for in the books of account.
- Verify the interest payable or paid as mentioned above on test check basis.
- Verify the additional information provided by the auditee relating to interest under section 16 in his financial statement.
- If on test check basis, the auditor is satisfied, then the amount so debited to the profit and loss account should be reported under clause 17A.

Where the tax auditor, upon due verification, finds that the auditee has neither provided for nor paid any interest payable under the MSME Act, the no amount is inadmissible under section 23 of MSME Act. In such a case 'Nil' can be reported against clause 17A.

Legal Openion

A listed company has an accumulated provision of Rs. 65 laks towards interest payable to SMEs in its books of account Legal opinion sought on whether the company can write back the same by obtaining a no due undertaking from the supplier

Supreme court advocate opined –

- 1. Such undertaking may run contrary provisions of Sec 16 and could be held void in law.
- 2. As the audited financials already state the payables the said undertaking would prove to be false.
- 3. All provisions are mandatory and aimed at fortifying the SMEs in their transactions with large entities.
- 4. Writeback or adjustment is not advisable

Its Interest - TDS??

- 40(a)(ia) any interest shall not be deducted in computing the income chargeable under the head 'Profits and gains of business or profession', if tax is deductible at source (r.w -194A)
- Bombay High Court, in the case of CIT Vs Vidyut Corporation [2010] The interest payable by the purchaser for delay in payment of purchase consideration of goods, will partake the nature and character of purchase consideration in the hands of the purchaser.

LOOPHOLES

Corporate Thinking

Corporate <u>Buyers</u> have two lines of thinking towards payments to MSME

Considering the importance of MSMEs for the overall economy paying within 45 days is part of Corporate Social Responsibility (CSR)

- Renegotiate the terms with MSMEs and pay them within 45 days
- Provide the interest, build the provision for 3 years and write it off at the end of 3rd year stating it as unclaimed and non payable this treatment amounts to non-compliance of section 17.

Need of Amendments

- To claim the status of SME and to claim the payment within 45 days the unit is required to send a copy of MSME memorandum to the buyer, So that he classifies the unit as MSME and pays him within 45 days.
- This is used as a tool by the buyer in claiming that they haven't received any such memorandum hence no classification is done no interest payable.
- Instead of this formality the SME data should be made available online, so that once registered under the act, unit get the status of SME, buyer classifies him as SME and SME gets paid within 45 days or for delayed payment get paid with interest
