

Skills required for New Age Internal Auditors

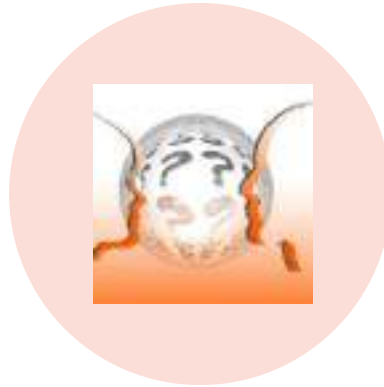

HIRAL SHAH

CA, Head of Internal Audit

Let's hear from you

WHAT IS INTERNAL AUDIT?

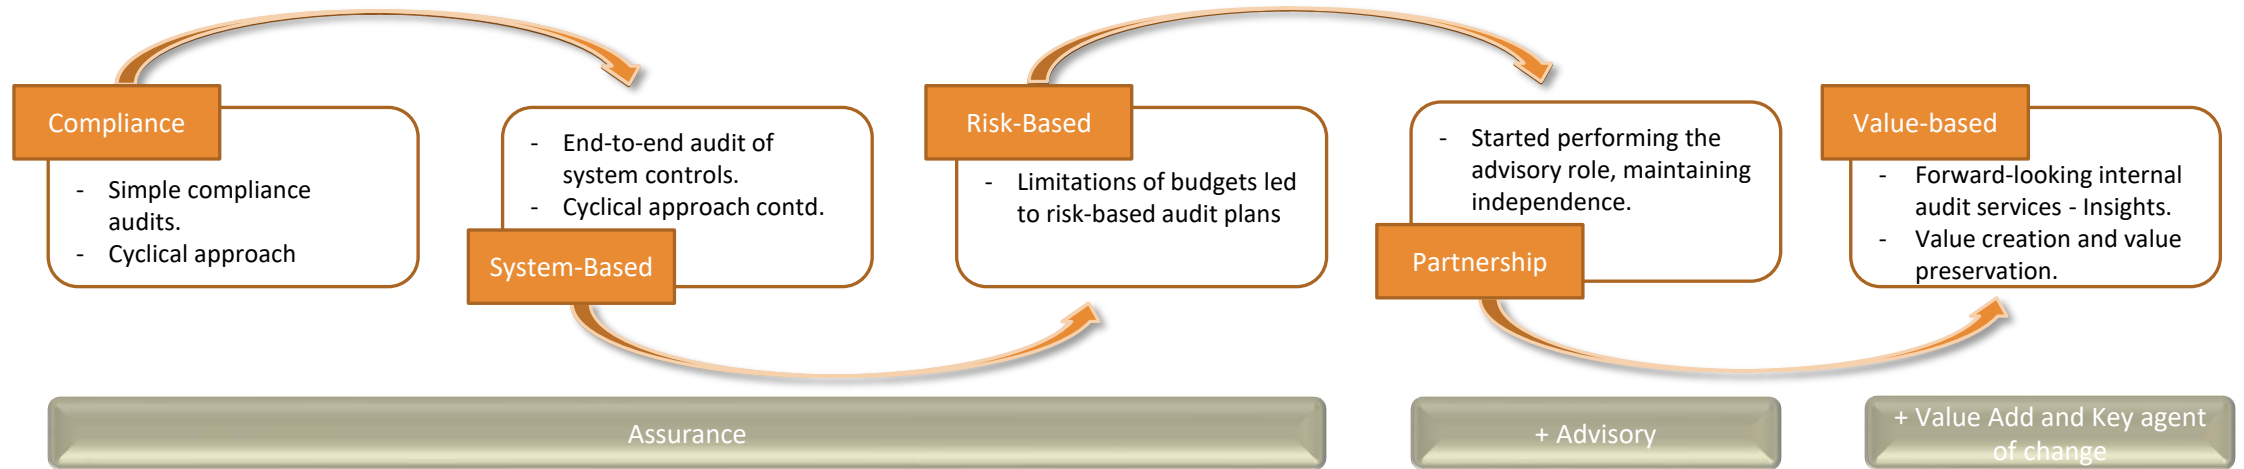

HOW IS THE INTERNAL AUDIT
FUNCTION PERCEIVED IN MOST
ORGANIZATIONS?

WHO ARE INTERNAL AUDITORS?

Internal Audit and its changing role

- ❑ Paradigm shift in expectations – from hindsight to insight and finally towards foresight.
- ❑ ANTICIPATE risks and opportunities.
- ❑ Help ACCELERATE organizational change and learning.

Skills required

Stakeholder Management

- Effective Communicators
- Behavioural Awareness
- Knack to get work done
- Building collaborative relationships
- Networking
- Being assertive

Another new-age requirement – **Looking at the positive side** i.e. noting the progress made by the organization and acknowledging it in your communication.

Personal Attributes

Another new-age requirement – **PERSONAL BRANDING** – Know that you are a brand – Be careful of the digital footprint you are leaving behind.

“ The only skill
that will be important
in the 21st century is the
skill of learning new skills.
Everything else will become
obsolete over time.
